PART VI

Bills introduced in the Council of State and Legislative Assembly; Reports of Select Committees presented to the Council and Assembly; and Bills published under Rule 18 of the Indian Legislative Rules.

GOVERNMENT OF INDIA.

Legislative Assembly Department.

The following Bill was introduced in the Legislative Assembly on the 10th November, 1938:—

1. A. BILL No. 24 OF 1938.

A Bill further to amend the Indian Merchant Shipping Act, 1923.

WHEREAS it is expedient further to amend the Indian Merchant Shipping Act, 1923, for the purpose hereinafter appearing; It is hereby enacted as follows:—

XXI of
1923.

Short title.

1. This Act may be called the Indian Merchant Shipping (Amendment) Act, 1939.

Amendment of
section 62, Act
XXI of 1923.

2. In section 62 of the Indian Merchant Shipping Act, 1923, sub-section (2) shall be re-numbered as sub-section (3) and the following shall be inserted as sub-section (2), namely:—

XXI of
1923.

“(2) The provisions of clauses (b) and (c) of sub-section (1) shall not apply to so much of the wages of a seaman as have been or are hereafter assigned by way of contribution to any fund approved in this behalf by the Central Government, the main purpose of which is the provision of benefits for seamen on retirement; and the provisions of clauses (a) and (d) of sub-section (1) shall not apply to anything done or to be done for giving effect to such an assignment.”

STATEMENT OF OBJECTS AND REASONS.

The Scindia Steam Navigation Company, Limited, have recently instituted a Provident Fund scheme for the benefit of their staff afloat. Briefly, the Fund is to be financed partly by contributions payable by all eligible members of the staff by deduction at a fixed percentage ($8\frac{1}{3}$ per cent.) from their monthly wages and partly by a contribution by the employers of an amount equal to the annual aggregate contributions of all the members. In pursuance of this scheme, the Scindia Steam Navigation Company have proposed the insertion in the Articles of Agreement of the staff of a clause to provide for the necessary deduction to be made from their wages, which in the case of an agreement with a 'seaman' as defined in section 2 (1) (8) of the Indian Merchant Shipping Act, 1923 (XXI of 1923), requires the sanction of the Central Government under section 28 (1) of that Act.

2. The British National Maritime Board have also recently brought into operation a contributory pension scheme for officers in the Merchant Navy which is to be financed similarly by contributions equal to a prescribed percentage ($7\frac{1}{2}$ per cent.) of the officers' salaries, an equal amount being payable by their employers. As the officers' contributions are to be deducted from their salaries, the British India Steam Navigation Company, Limited, have also requested sanction to the inclusion of an additional stipulation similar to the one proposed by the Scindia Steam Navigation Company in all Articles of Agreement with seamen engaged by them.

3. Section 62 of the Indian Merchant Shipping Act, 1923, however provides *inter alia* that an assignment of his wages, before they accrue, made by a seaman shall not be binding upon him, and unless this section is modified suitably assignments to a Pension or Provident Fund will not be in accordance with the law, and the Central Government cannot accord the requisite sanction to the inclusion of the proposed clause in the Articles of Agreement. A provision similar to that in section 62 of the Indian Merchant Shipping Act, 1923, also existed in section 163 of the Merchant Shipping Act, 1894 (57 & 58 Vict., c. 60), which was amended last year by an Act of Parliament [The Merchant Shipping (Superannuation Contributions) Act, 1937] to legalise the payment of contributions by seamen out of their wages to the Merchant Navy Officers Pension Fund and certain other specified Funds. It is accordingly proposed to amend section 62 of the Indian Merchant Shipping Act, 1923, on the lines of the amendment made in the Merchant Shipping Act, 1894, and the present Bill is intended to give effect to this proposal.

Provided that this requirement shall not apply to such ceilings and walls for which lime-washing is unsuitable.

DEFENCE DEPARTMENT.

New Delhi, the 19th November 1938.

Part B.

NOTICE.

No. 1341.—A competitive examination for entry to (1) the Indian Military Academy, Dehra Dun, in the term beginning on or about 20th August 1939 and (2) the Royal Indian Navy will be held in Delhi on Monday, the 27th March 1939, and subsequent days. The examination will be conducted by the Federal Public Service Commission.

2. The examination will be a combined one for the purpose of filling vacancies in the Indian Military Academy and the Royal Indian Navy. A candidate may apply to be admitted to the examination for all or any of the above. If he wishes to be admitted as a candidate for more than one, he should state this on his application form. Separate applications are not required. He will be required to pay the application and examination fees once only. If he proves successful as a candidate for more than one he will ordinarily be assigned to the one for which he expressed a preference in his application; but the Government of India reserve power to assign him to any one.

3. At this examination 15 vacancies will be offered for entry to the Indian Military Academy. The Governor-General-in-Council, however, reserves to himself the right to fill the last three vacancies by nomination from among those who have qualified but failed to obtain sufficient marks to secure one of the first twelve vacancies. Two vacancies will be offered for admission to the Executive Branch and one to the Engineer Branch of the Royal Indian Navy.

4. The examination will be the same for all arms of the Indian Army, i.e., Cavalry, Artillery, Signals, Engineers and Infantry. All candidates on joining the Indian Military Academy may volunteer to be considered for the technical arms, and will be given a test examination in Mathematics. Those who show a satisfactory standard of knowledge will be formed into a Preparatory Woolwich Wing during the 1st and 2nd terms.

At the end of the 2nd term the Commandant will select the cadets to form a Woolwich Wing.

5. Candidates for admission to the Indian Military Academy must have been born not earlier than the 2nd May 1919, and not later than the 1st May 1921. Candidates for the Royal Indian Navy examination must have been born not earlier than the 2nd October 1919, and not later than the 1st October 1921. *These age limits can in no case be relaxed.*

6. A candidate who desires to appear at the examination is required to submit to the Federal Public Service Commission his application in the prescribed form with the necessary documents in accordance with the instructions given on that form. Applications must reach the Collector or Deputy Commissioner, or the Political Officer or Agent or the Principal, Prince of Wales' Royal Indian Military College, Dehra Dun, on or before the 24th December 1938. Copies of the Rules and the Application Form, etc., may be obtained from the Provincial Government, Administration or Durbar concerned.

THE FACT THAT AN APPLICATION FORM HAS BEEN SUPPLIED, ON WHATEVER DATE, WILL NOT BE ACCEPTED AS AN EXCUSE FOR THE LATE SUBMISSION OF AN APPLICATION. CANDIDATES WHO DELAY THEIR REQUESTS FOR FORMS UNTIL A LATE DATE WILL DO SO AT THEIR OWN RISK.

Note.—If any candidate has appeared at the examination held in October 1938, for entry to the Indian Military Academy or the Royal Indian Navy, and, not being successful thereat, wishes to appear at the examination to be held in March/April, 1939, he must submit his application by the prescribed date without waiting for the results of the former examination. Should he have been successful, his candidature for the March/April examination will be cancelled.

RESOLUTION.

No. 1342.—The Governor-General in Council hereby makes the following rules for the regulation of admission to the Indian Military Academy by examination in India which will be held on the 27th March 1939 and subsequent days:—

RULES.

1. (i) A candidate who desires to appear at the examination shall apply to be admitted to the examination before such date and in such form as the Federal Public Service Commission may prescribe. The application shall be made through the Collector or Deputy Commissioner of the district in which his parents reside at the time of the application, or have previously resided for a period of not less than three years, or in which he has himself resided, otherwise than as a student at an educational institution only for a like period.

(ii) In the case of Calcutta applications shall be submitted through the Commissioner of Police.

(iii) Cadets of the Prince of Wales' Royal Indian Military College, Dehra Dun, shall submit their applications through the Principal of the College.

(iv) A candidate resident in an Indian State shall submit his application through the Durbar, who will forward it to the Political Officer or Agent.

(v) No candidate shall make more than one application in respect of this examination.

(vi) A candidate shall, except in very exceptional circumstances, appear personally before the District Officer or the Political Officer or Agent who signs the attestation form.

2. A candidate must be an unmarried man and either—

(b) a Ruler or a subject of a State in India or a British protected person of the tribal areas.

Provided that in the case of a British subject the requirements of this rule may be waived by the Secretary of State in Council if he is satisfied that their observance would occasion exceptional hardship, and that the candidate is so closely connected by ancestry and upbringing with His Majesty's dominions as to justify special treatment.

3. The guarantors of a candidate selected for admission to the Indian Military Academy will be required to covenant with the Secretary of State in Council that the parent or guardian of the cadet will discharge from his own personal resources all the financial obligations attaching to the training of his son or ward at the Academy, and that in the event of failure to comply with certain contingencies set forth in an Indenture relating to the completion of the course at the Indian Military Academy, and thereafter, the acceptance of a commission in the Indian Land Forces, and the period he is required to hold such a commission, he will pay the full cost which the Government of India shall have expended on the education of the cadet at the Academy. Should it be found that the declaration in regard to discharge of financial obligations at the Indian Military Academy is false in any respect, the cadet will be liable to immediate removal from the Academy.

4. The maximum number of candidates to be admitted to the examination may, in the discretion of the Governor-General in Council, be limited to such number as the Governor-General in Council may decide. If a limit is imposed and the number of candidates exceeds that limit the Federal Public Service Commission shall select from among the applicants those who shall be admitted to the examination and shall have regard in so doing to the suitability of the applicants for employment as commissioned officers in the Indian Army.

5. A candidate for this examination must have been born not earlier than the 2nd May 1919, and not later than the 1st May 1921.

6. A candidate must be in good mental and bodily health and free from any physical defect likely to interfere with the efficient performance of the duties of a commissioned officer in the Indian Army. A candidate who, after examination by a Medical Board, is found not to satisfy these requirements will not be accepted for admission to the Academy.*

7. A candidate must satisfy the Federal Public Service Commission that he is suitable in all respects for employment as a commissioned officer in the Indian Army.

8. The decision of the Federal Public Service Commission as to the eligibility or otherwise of a candidate shall be final.

9. No candidate shall be admitted to the examination unless he holds a certificate of admission from the Federal Public Service Commission.

10. Any attempt on the part of a candidate to enlist support for his application will disqualify him for admission to the Indian Military Academy.

11. (a) A candidate who competed in the examination held in October 1938, and failed to obtain a qualifying mark, will not be allowed to compete at the examination to be held in Mar./Apl. 1939, unless he is ineligible by age to compete at any later examination.

(b) No candidate who fails to obtain a qualifying mark at this examination will be allowed to compete at the next examination unless that examination is the last at which he would be qualified by age to compete.

12. Candidates must pay the following fees:—

(i) Rs. 7-8-0 with the application form,

(ii) if accepted for admission to the examination, Rs. 50 immediately after the receipt of the certificate of admission.

GOVERNMENT OF INDIA,

Legislative Department,

The following Bill was introduced in the Council of State on the 13th September, 1938:—

C. OF S. BILL No. 7 OF 1938.

A Bill to provide for the submission of certain statements of companies incorporated in or carrying on business in India.

WHEREAS it is expedient to provide for submission of certain statements for statistical purposes by companies incorporated in or carrying on business in British India, for the purposes hereinafter appearing; It is enacted as follows:—

1. (i) This Act may be called the Dividends and Interest Returns Act, 1938.

(ii) It shall apply to the whole of British India and shall come into force on such date as it receives the assent of the Governor General.

2. In this Act, the following words are used in the following sense, unless a contrary intention appears from the context:—

"Interest" means a premium paid for the use of money.

"Dividend" means a share of the profits of a company paid to its shareholders.

"Bonus" means a premium paid in addition to interest on a loan or extra dividend paid to shareholders.

3. Every company incorporated in India shall submit, before the 30th of June of each year, a statement of the aggregate payments made or which have become payable by it in respect of interest, dividends and bonus separately, during the year ending 31st of March next preceding, showing separately amounts paid or payable to Indians, non-Indian British subjects domiciled in British India, in the United Kingdom, other individuals, and companies incorporated in India, in the United Kingdom and elsewhere in such form as may be prescribed by rules made under this Act.

4. Every company incorporated outside British India, which is carrying on business in British India, shall submit, before the 30th of June of each year, a statement, in the prescribed form, of the total payments made by it in India during the year ending 31st March next preceding, in respect of interest, dividends and bonus, showing separately the total amounts paid or payable to Indians, non-Indian British subjects domiciled in the United Kingdom and all other individuals: and companies incorporated in India, in the United Kingdom and in other countries.

5. Such statement shall be submitted to such officer as the Government of India may, by rules framed under this Act, designate.

6. All particulars contained in any statement submitted under this Act shall be treated as confidential and shall not be used for any other purpose than compilation of statistics by the Central Government or by the Provincial Governments and save as provided herein, if a public servant discloses any particulars contained in any such statement, he shall be punishable with imprisonment which may extend to six months and shall also be liable to fine:

Provided that nothing in this section shall apply to the disclosure of any such particulars to any person acting in the execution of this Act, where it is necessary to disclose the same to him for the purposes of this Act.

STATEMENT OF OBJECTS AND REASONS.

For measuring the economic progress of the country and ascertaining the relative position of foreign and Indian capital in this country, it is necessary that Government should be in possession of full particulars for compiling and publishing statistics, showing interest, dividend and bonus, paid by companies incorporated in British India and by companies doing business in British India, to Indians, non-Indian British subjects domiciled in British India, domiciled in the United Kingdom and other individuals: and companies incorporated in British India, in the United Kingdom and elsewhere separately. Khulna.—No. 4230P.H.—12th December 1938.—Under rule 7 of the Local Authorities Loan Rules, 1915, as subsequently amended, it is hereby notified for general information that the Governor intends to sanction the following loan application from the district board of Khulna for a loan of Rs. 1,00,000 from Government for improvement of water-supply in the district, bearing interest at 4 per cent. per annum and repayable in twenty half-yearly instalments of Rs. 6,115-11 each, towards which Government will make an annual grant of Rs. 1,794 out of the annual provision for grant in the Public Health budget for the improvement of rural water-supply, unless good reasons are shown to the contrary within one month from the date of publication of this notification within the district board area.

In addition to the details required on the reverse clear informations are given below under the following heads:—

(a) If the ordinary surplus is insufficient to meet the charges of the proposed loan, the particular steps which the district board has taken or has agreed to take to make good the deficiency.

(a) The loan has been sanctioned, *vide* Government letter No. 136P.H., dated 12th January 1938, and will be repaid according to the instructions contained in Government letter Nos. 1148-52P.H., dated the 24th March 1936. The average capital expenditure of the board upon water-supply for the triennium ending with 1937-38 was Rs. 72,802, 50 per cent. of which will amount to Rs. 36,401 which is sufficient for the purpose of this loan and the previous one as well as further loan that will be taken in this connection in the next year also up to two lacs of rupees.

(b) Possible means of income in the revenue of this district board.

(b) Nil.

(c) A statement of all outstanding loans as well as the annual charges involved on their account.

(c)(i) Loan of Rs. 40,000 taken on the 20th March 1923 of which 31 instalments of Rs. 1,873-2 each were paid up to date out of 40 instalments.

(ii) Loan of Rs. 30,000 taken on the 14th March 1925 of which 27 instalments of Rs. 1,404-13 each were paid up to date out of 40 instalments.

(vi) Loan of Rs. 10,000 taken on the 28th March 1935 of which 7 instalments of Rs. 611-9 each were paid up to date out of 20 instalments.

(vii) Loan of Rs. 6,000 taken on the 23rd December 1936 of which 3 instalments of Rs. 366-15 each were paid up to date out of 20 instalments.

(viii) Loan of Rs. 2,000 taken on the 10th August 1937 to be paid in 20 equal instalments of Rs. 120-13-6 each out of which 2 instalments were paid up to date.

(d) Any explanation in regard to receipts and expenditure to show the true financial position of the board when such is otherwise than the ordinary surplus would indicate.

(d) In the ordinary expenditure much capital expenditure has been included which can be curtailed according to circumstances, the recurring liability and expenditure being rather small indicating sound financial position.

The Government contributions towards water-supply of which the district board will have the benefit every year, will also help much towards repayments of the loan with greater ease.

NOTIFICATION.

Chittagong Hill-Tracts.—No. 26332E.A.—12th December 1938.—In exercise of the power conferred by section 18 of the Chittagong Hill-Tracts Regulation, 1900 (Regulation I of 1900), the Governor is pleased to make the following amendments in the rules for the administration of the Chittagong Hill-Tracts, published under notification No. 123 P.D., dated the 1st May 1900, as subsequently amended, namely:—

I. For rules 42, 42A and 42B of the said rules the following shall be substituted, namely—

“42. (1) *Jhum tax.*—Jhum tax shall be paid to the mauza headmen, at such rates as the Provincial Government may from time to time fix, by each jhuming family, consisting of the members of one household living in one mess, cultivating and sharing the produce of one jhum, and the headman after deducting his share shall pay the tax to the Chief.

(2) The Chiefs shall declare what classes of persons are by custom exempt from jhum tax within their circles, and shall submit for the approval of the Deputy Commissioner before 15th October every year a list of jhuming families temporarily or permanently exempted from payment of jhum tax.

(3) Every jhuming family which lives in one mauza and jhums in another shall pay an additional jhum tax to the headmen of the mauzas in which it jhums, at half rate if in the same circle and at the full rate if in another circle. Such families shall be called *parkulias*.

(4) Every headman shall prepare annually a jhum tauzi which shall contain the following information:—the name of each family head and the number of persons in the family; whether paying jhum tax, *parkulia*, or exempt, and the reasons for exemption; whether the family is old or new, i.e., arrived within the previous five years.

(5) Jhum tautis shall be sent to the Chiefs before 1st October and by the Chiefs to the Deputy Commissioner before 1st November. The Deputy Commissioner shall verify the accuracy of each tauti once in every five years. The Chiefs shall be responsible that every headman keeps accurate records and accounts of jhum tax and grants printed receipts having counterfoils.

(6) Jhum tax of each year shall become an arrear on 1st January of the subsequent year and interest at 6½ per cent. per annum shall be chargeable on such arrears. The headman shall pay at least half the demand to the Chief on the *Punyha* day and the balance before 15th January, submitting at the same time an arrear list and counterfoils of receipts. The Chief shall submit the same and shall report any defaulting headman to the Deputy Commissioner by 31st January and after due enquiry the Deputy Commissioner shall proceed to realise the arrears as a public demand.

(7) The Deputy Commissioner shall pay to the Chief all the arrear tax, with interest, so realised. He may, at his discretion, pay to the headmen or remit to the jhumia the headman's share. In case of default or negligence by the headman the Deputy Commissioner may collect and retain the headman's share until the full satisfaction of the demand.

(8) For special reasons recorded by him in writing and after notice to the Chief concerned the Deputy Commissioner may direct that the headman of a mauza or the jhumias shall pay jhum tax direct to him and not to the Chief, in which case the Deputy Commissioner shall pay to the Chief the full amount realised after deducting the headman's share.

(9) The Chief shall pay the Government demand by the 31st March of each year.

(10) If a headman has reason to believe that a jhumia intends to migrate without paying the tax owed by him, he shall detain the property of the jhumia and report the matter to the Chief or to the Deputy Commissioner. If the headman neglects to take such action he may be held responsible for the tax of the defaulting jhumia.

(11) Headmen and Chiefs shall not receive from jhumias or other tenants any *abwab*, *nazar* or other payment, save what is customary and does not cause discontent, or is specially authorised by the Provincial Government.

42A. (1) *Regulations regarding compulsory labour.*—All adult male residents of the Chittagong Hill-Tracts of an apparent age of not less than 18 and not more than 45 other than persons in the service of the Crown, shop-keepers living in bazars and school teachers are liable to render labour in accordance with the orders from time to time issued by the Provincial Government, on the requisition of the Deputy Commissioner or other gazetted officers of Government having jurisdiction in the Chittagong Hill-Tracts or of a Chief or a headman or of any other officer authorised by the Deputy Commissioner, and when so employed such residents shall receive wages at such rates as may be prescribed from time to time by the Deputy Commissioner.

(2) Whenever voluntary labour on payment is not available, labour may be requisitioned under sub-rule (1) for the following purposes only:—

- (a) for transport of Government stores;
- (b) for carrying baggage or camp equipment of a Government officer, Chief or headman when on tour on duty in the Chittagong Hill-Tracts;
- (c) for erecting shelters for the accommodation of Government officers and Chiefs when on tour on duty;
- (d) for public works including making or maintaining roads, paths or bridges or clearing forest boundaries: provided that if any such work involves removal of the workers from their place of habitual residence, no requisition shall be made except under the orders of the Deputy Commissioner;
- (e) for acting as boatmen for any of the purposes mentioned above.

(3) A Chief or a headman authorised by the Deputy Commissioner may also require a jhumia or plough cultivator in his circle or mauza to perform personal service in accordance with custom for not more than 4 days in a year and for not more than 8 hours in a day.

(4) A requisition for labour shall be made in such manner as may be ordered by the Deputy Commissioner.

(5) The requisition shall be sent to the headman of the mauza from which the labour is required and the headman and the person requisitioning their services shall be responsible for seeing that the workers are physically fit and not suffering from any infectious or contagious disease.

(6) Every person so employed shall be furnished by the person employing him with a certificate indicating the period of the labour performed by him.

(7) The maximum load to be carried shall not exceed one maund.

(8) Every person so employed shall be paid in cash, or when customary in kind, at such rates as may be fixed from time to time by the Deputy Commissioner and shall not be less than those payable for similar work in the locality.

(9) No person employed on transport work shall be required normally to proceed more than 36 miles from his home.

(10) No person shall be taken for transport work for more than 6 days in any one month or more than 12 days in a year.

(11) A normal day's work for a boatman as well as an ordinary labourer shall be 8 hours.

(12) A normal day's journey shall not exceed 12 miles with load or 20 miles without load. If a greater distance is travelled payment shall be made for overtime work at such rates as may be fixed by the Deputy Commissioner. Days spent for returning home shall be counted as working days for the purpose of the payment of wages. The wages shall be paid to each worker individually and not to any one else.

(13) Not more than 25 per cent. of the able-bodied males may be taken away at one time from any mauza or any portion of a mauza which may be specified by the Deputy Commissioner for the purpose.

(14) Any person who has been required to work may make a complaint to a gazetted officer, the Chief or the headman with regard to the conditions of his service and such complaint shall be reduced to writing and forwarded to the Deputy Commissioner.

(15) If any person employed under this rule shall be temporarily or permanently incapacitated by injury or sickness caused by reason of, and during, the service rendered, he may apply for compensation to the Deputy Commissioner, who, after such enquiries as he considers necessary, may order, subject to the approval of the Commissioner, an equitable compensation to be paid to such person for his incapacity by the Provincial Government or by the Chief or headman, who has employed him. In assessing the compensation the Deputy Commissioner shall consider to what extent, if any, the incapacity or sickness, of the person employed was due to contributory negligence on his part. If death should result, the compensation may be paid to the dependants of the person deceased in such proportion as the Deputy Commissioner thinks fit after taking into consideration to what extent, if any, his death was due to contributory negligence on the part of such person.

(16) Whoever wilfully or negligently disobeys or refuses to comply with any order passed under sub-rule (7) shall be punishable with fine which may extend to ten rupees.

(17) A copy of the rules regarding compulsory labour shall be kept by every headman, and the Deputy Commissioner and Subdivisional Officers shall be responsible for seeing that the rules are observed."

II. Rule 49A of the said rules shall be omitted.

Notices.

3. If in any case the District Health Officer considers that the issue of a notice under these regulations is likely to lead to such an amount of delay as might facilitate the spread of cholera he may forthwith take such steps as he may think fit for carrying out the work, and shall thereafter, as soon as possible, issue a notice on the person concerned stating the reason why such work has been carried out.

4. If any measure which the District Health Officer has, by a notice issued under these regulations, required to be carried out, be not carried out to his satisfaction within the time stated in the notice the District Health Officer shall be entitled to carry out the measure.

(2) The Board may recover all expenses incurred by the District Health Officer in carrying out the measure under regulation 4 from the person or persons to whom the notice was originally issued.

6. The Board shall pay adequate compensation to any person who has sustained substantial loss or damage by reason of anything done under these regulations :
